The Jesus Storybook Bible: Every Story Whispers His Name (Paperback)

Some people think the Bible is a book of rules or a book of heroes. But the Bible is most of all a story—a story of how God loves His children and comes to rescue them. The multi-award winning and best-selling The Jesus Storybook Bible: Every story whispers his name introduces children aged 5-8 to God's wonderful story, and the Savior at the center of that story. While other children's Bibles contain the same classic stories from the Old and New Testaments, The Jesus Storybook Bible tells the Story beneath all the stories in the Bible, pointing to Jesus as our Savior. From the Old Testament through the New Testament, as the Story unfolds, children will clearly see that Jesus is at the center of God's great story of salvation—and at the center of their story too. The 21 Old Testament stories and 23 New Testament stories are brought to life with distinctive bright and colorful illustrations. It is the perfect beginner's Bible for parents, grandparents, pastors and Sunday school teachers to share the most important story ever told with children.
